This magnificent remote island is in a world of its own, a triangular shaped atoll rising up 4000 meters from the floor of the Pacific Ocean, its spectacular locations will provide the perfect setting for your special day.

Pacific Resort Aitutaki is the Cook Islands only full service luxury resort. Our Guests have the opportunity to choose their own style of Polynesian hideaway, a Beachfront Bungalow, Beachfront Suite or Beachfront Villa. All hideaways are beautifully appointed in an eclectic blend of timber furnishings that exude a peaceful ambience enhanced by panoramic views of Aitutaki's world famous lagoon.

The Cook Islands have a very relaxed policy allowing international citizens to marry legally. After applying for the wedding license on any weekday, the couple are required to reside in the Cook Islands for a further three full days. They are also required to produce their birth certificates in English), their passports and provide any 'decree absolute' (divorce documents), if applicable.
